SmartClass® BY ROBOTEL

Teaching Platform

An all-in-one digital language teaching platform **for all languages** where teachers can create, assign, and (auto) grade with 20 different activity templates.

SmartClass Advantages:

- Already created content with structured courses
- Offer more speaking practice time at school and at home
- Monitor and measure student growth
- Significantly increase students' overall language skills

How it works:

1.

Create, modify, or choose pre-loaded activities

2.

Assign activities to students

3.

Review and grade

A completely web-based platform, accessible on any student device.
A perfect tool to help your students prep for TOEFL, TOEIC, IELTS, and Global Seal of Biliteracy Assessments.
