

Language Lab

Our Language Lab solution enables students to practice their **productive skills** autonomously, collaboratively, or one-on-one with their teacher.

Language Lab Advantages:

- Increase speaking practice - all students can practice at the same time.
- Improve your students' oral expression by recording them and allowing them to listen again, especially with conversation activities and live tests.
- Control student workstations with screen and audio sharing and live monitoring
- Involve and motivate your students with our interactive learning content
- Save time with ready-to-use curricula and automatic correction
- The matrix offers impeccable audio quality for communication (optional).

Wireless or installed options available.
